

Hierarchical Modeling

Ion Moraru
Stefan Hoops

SBML Workshop
Long Beach, CA

National Resource for
Cell Analysis and Modeling

Brief History

Model Composition Workshop:
September 9-10 at NRCAM (UCHC) Farmington, Ct

Prior Proposals:

- ▶ Andrew Finney's proposal of Oct. 2003.
- ▶ Martin Ginkel's proposal of June 2002.

<http://ntcnp.org/twiki/bin/view/VCell/CompositionSBMLWorkshop>

Goals & Scope

Goals

- ▶ Facilitate the reuse of existing models.
- ▶ Manage complexity when building large models.

Scope

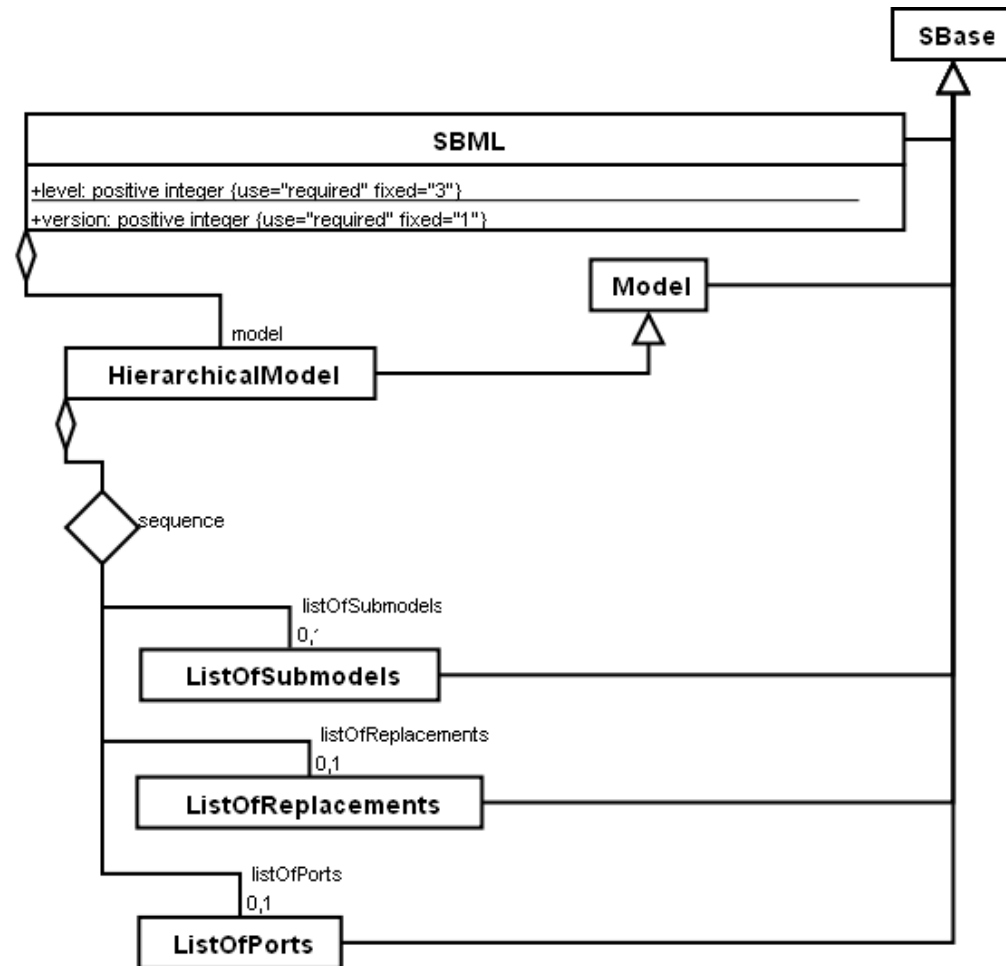

- ▶ Build out of complete models, not model fragments.

Structure

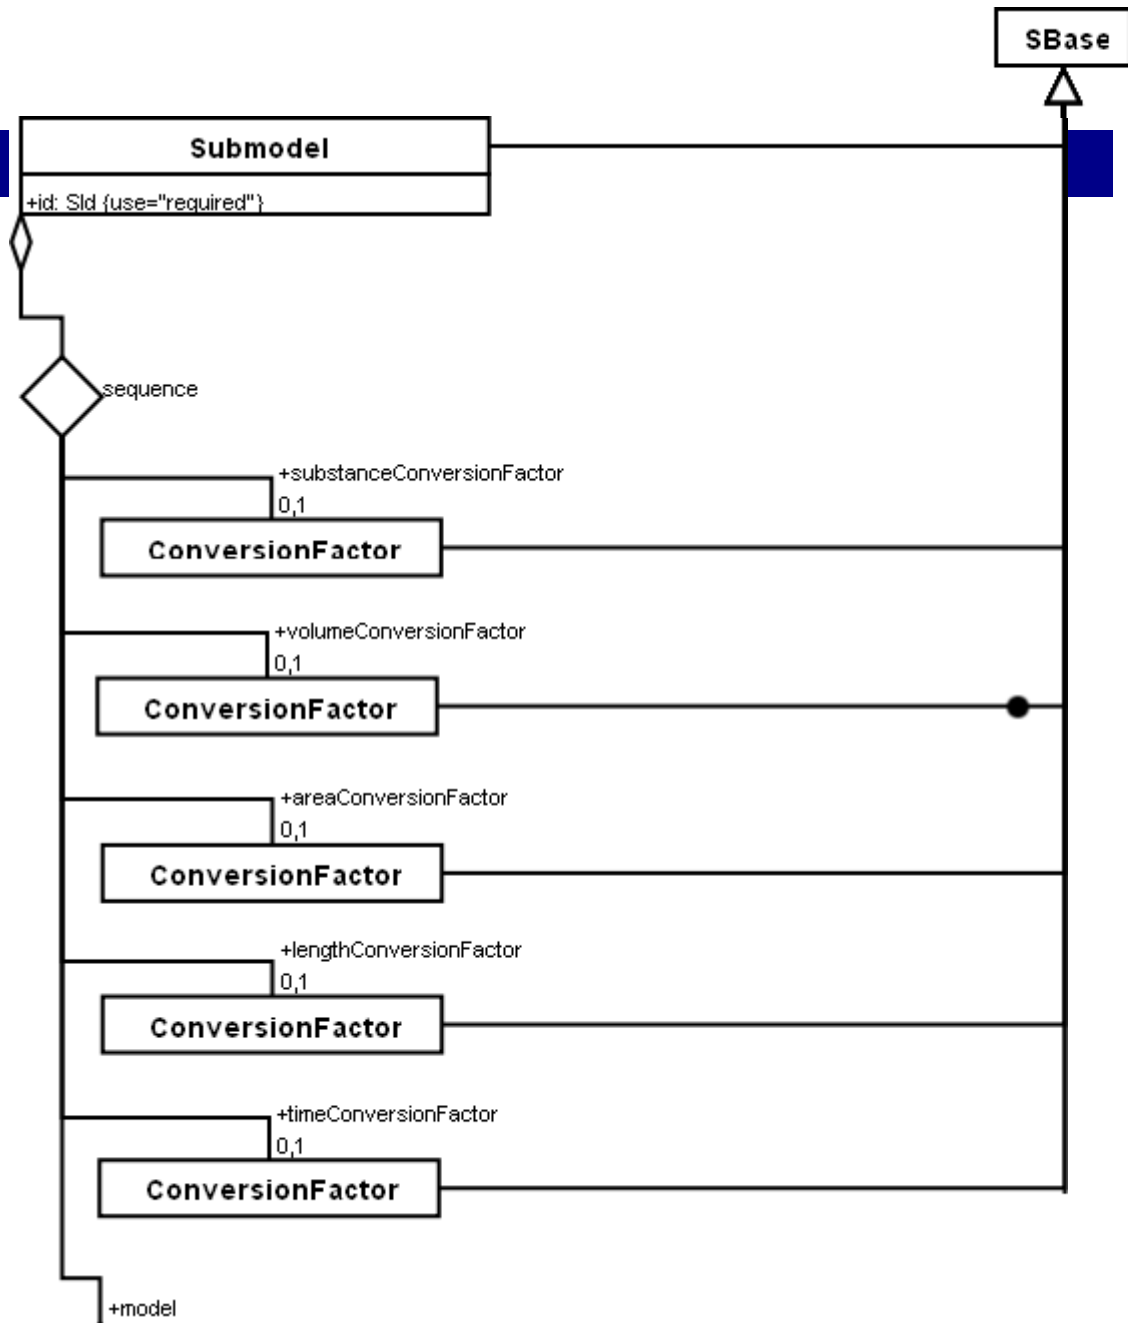

The hierarchical model is an extension of the SBML core model.

New Elements:

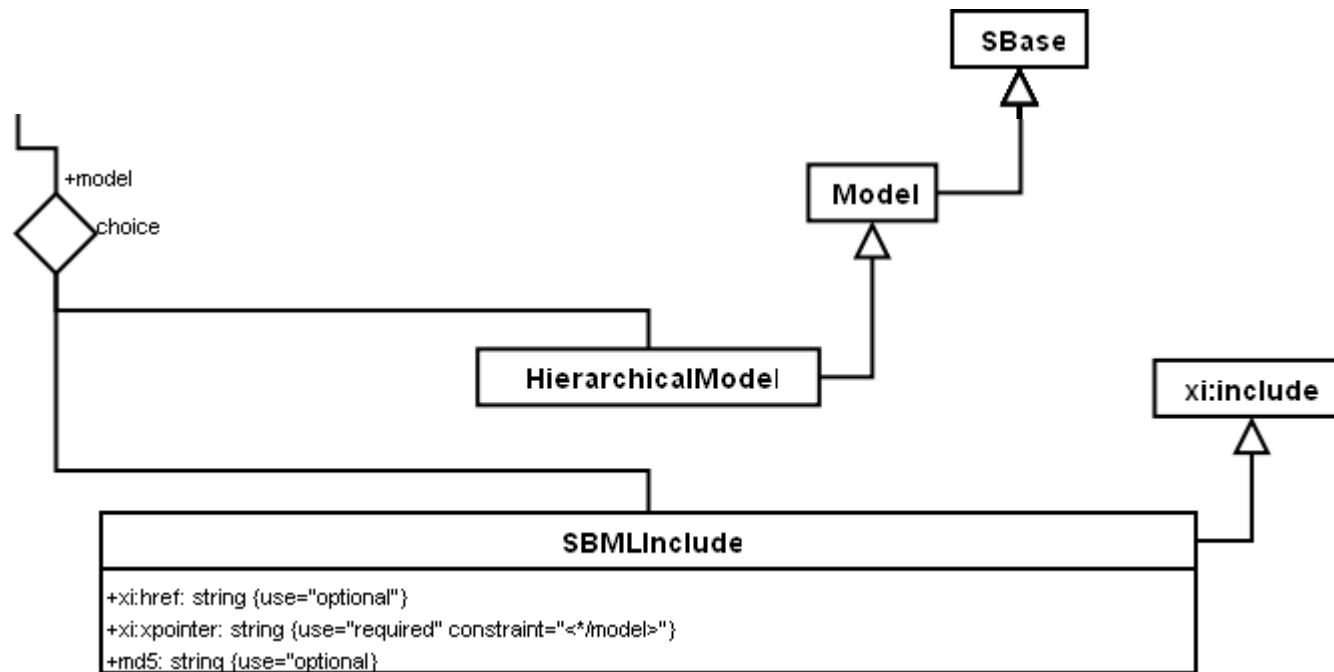

- ▶ ListOfSubmodels
- ▶ ListOfReplacements
- ▶ ListOfPorts

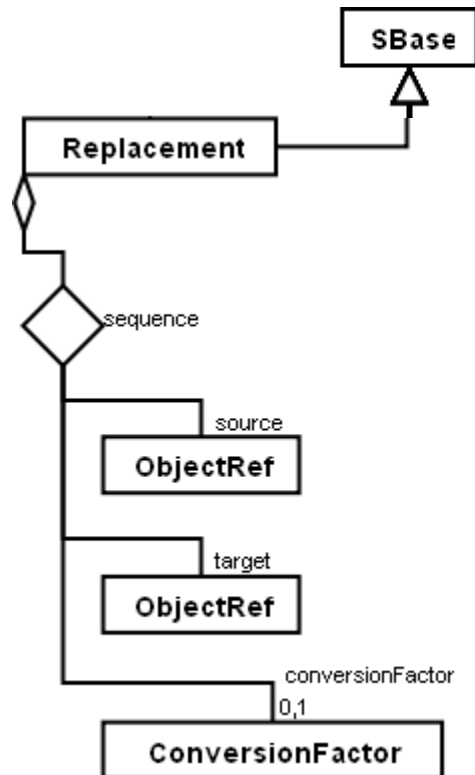

Submodel

Instantiation of a Submodel

Replacement

Ports
